Dear Alex:

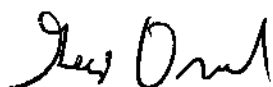

I wish to thank you and all your staff for the assistance you provided during our summer cruise this year.

As is usual in our business, arrangements and information are usually required on very short notice. In addition, these factors must always be correct for the satisfaction of both owners and guests.

You and your staff have always shown tremendous effort to ensure our requirements are met in a timely fashion.

I very much appreciate your help in our endeavours and look forward to the next thirty years of co-operation!

Warm regards

George Overend
