Hi Alex,

Since April 2019 I have relied on All Services to assist in our endeavors to get back to Italy from the Caribbean once the Corona virus Pandemic had been recognized.

After our successful reentry to Italy we managed to have a reasonable summer season with Elena thanks to All Services and particularly Ambra who found a solution to the unending beaurocracy that Covid created.

2021 was the busiest charter season in history for Elena and All Services became a vital part of our planning, they were available at all times.

I look forward to working with AS again next season.

Best Regards
